Dear Senators and Representatives:

In accordance with Section 16a-32 of the Connecticut General Statutes, the Office of Policy and Management (OPM) is providing notice to the Continuing Legislative Committee on State Planning and Development that it is in receipt of an application for an interim change to the *Conservation and Development Policies Plan for Connecticut, 2005-2010 (C&D Plan)*. The application is from the Town of Putnam to change the C&D designation for a large area of land in the southwestern part of town from "Rural" and "Conservation" to "Growth." This redesignation is being requested to facilitate the development of a proposed technology park, a regional YMCA/Community Center, and a 70 unit/age restricted residential community at the site.

With this letter, OPM is seeking written approval from the Continuing Committee prior to initiating this proposed revision to the C&D Plan. If the Continuing Committee directs OPM to undertake the revision process, OPM will process the application in accordance with its regulations.

Sincerely,

A handwritten signature in blue ink, appearing to read "W. David LeVasseur".

W. David LeVasseur, Undersecretary
Intergovernmental Policy Division
